ORCHESTRA REIGNS NUMBER ONE

By. Addisyn Devine and Chrysanthemum Mendoza

The advanced orchestra played their winter concert on 12 / 15. They sounded amazing and did so well on their music! Every orchestra group that played before were super good and obviously improving in what they're learning. Last but not least, the advanced group played 4 beautiful pieces which were "Once Upon a December", "Stairway to Heaven", "Carol of the Kings", and "Let it Snow". The three groups that played that night had an outstanding performance and showed how beautiful music truly can be.

We are proud to announce our Advanced Orchestra performed an artistic, passionate & beautiful concert today; they received the highest ratings for UIL: 1's (Superior) for both Concert & Sight-Reading! Congrats to our amazing Ranger Orchestra!

NJHS Service Projects

By: Mary Schmelter

Rudder's chapter of National Junior Honor Society has established an ongoing partnership with a local nursing home this school year. As part of NJHS's commitment to service projects both inside and outside of school, NJHS members have really been enjoying visiting with residents and building relationships. This last visit, members met before school to paint canvases to give out on their visit. The residents loved them, and even exchanged their own art they had been working on! NJHS is grateful to Mesa Vista for this special partnership in service.

6th Grade Dance

By: Marianna Riojas

6th graders had a chance to get their groove on and vibe at our Valentine's school dance. This was an opportunity to show off some Awesome dance moves. And let's not forget 7th and 8th: don't worry your dances are next thanks to Student Council! They will help to make this memorable and fun!

The gym was transformed into a vibrant, heart-themed wonderland, with twinkling fairy lights and colorful decorations setting the perfect backdrop for an evening of fun. The DJ played all the latest hits, and students excitedly took to the floor, forming dance circles and showing off their best moves. Laughter and cheers filled the air as friends gathered to enjoy the festivities.

Teachers and chaperones joined in on the fun, adding to the joyful atmosphere and ensuring everyone had a great time.
