YOUTH CODE JAM

Girls Code Jam

Our Girls Code Jam event is a FREE, fun, family event where K-12 girls and their families learn about computer programming, cyber security, how to stay safe online, and other digital concepts and languages from community volunteer programmers.

- Good for all proficiency levels – beginner to advanced
- Bring your own device. Laptops available to borrow on a first come/first serve basis Parents/Adults must stay with their child for the duration of the event. This is a collaborative experience. We promise – adults will have fun, too!
- FREE for all K-12 students and their adult caregivers
