WELCOME TO

NORTHSIDE INDEPENDENT SCHOOL DISTRICT

Celebrating 75 Years of Excellence!

Northside – A History of Excellence

Join us in celebrating our 75th anniversary at Northside Independent School District, the premier choice for countless families each year. Our legacy is built on a foundation of academic brilliance and exceptional co-curricular programs, making NISD the unparalleled leader in education.

Why Choose Northside?

As the 4th largest school district in Texas, Northside captivates families with its diverse and dynamic offerings, including:

- Full-day PreK
- Elementary STEM labs
- Dual language programs
- Dual credit and advanced placement courses
- Magnet programs
- Career and technical education classes
- Special education services

Inspiring Education

At Northside, our passionate and dedicated teachers inspire students to achieve greatness. Our commitment to nurturing individual talents in fine arts and athletics ensures a well-rounded educational journey. Families choose Northside for our unmatched opportunities that pave the way for student success both now and in the future.

Community and Excellence

Deeply embedded in the community, NISD enjoys unwavering support from local businesses and partners. Since 1995, the Northside Education Foundation (NEF) has proudly awarded over \$9 million in scholarships, teacher grants, and program achievements, thanks to the dedication of community volunteers and business allies.

Financial Responsibility

Excellence at Northside extends to our financial stewardship. For the 21st consecutive year, we received the highest rating from the state's financial accountability system, School FIRST.

A Place for Every Student

Every student at Northside has the opportunity to thrive, whether attending their neighborhood school or exploring various school choice options. We invite you to visit our campuses and become a part of the Northside community. Celebrate our history. Embrace our excellence. Welcome to Northside!

Working as a team of eight, in conjunction with the Superintendent, the NISD Board of Trustees are an elected governance board with a shared sense of purpose focused on meeting the needs of all NISD students and the communities they serve. Each board member is a volunteer dedicated to the mission of the Northside Independent School District to transform the learning experience for every student.

ADMINISTRATION

John Craft, Ed.D., Superintendent
Ray Galindo, Deputy Superintendent for Administration
Janis Jordan, Ed.D., Deputy Superintendent for Curriculum & Instruction
Rene Barajas, Ph.D., Deputy Superintendent for Business & Finance

OUR MISSION

Transform the Learning Experience for Students.

OUR VISION

Every day, every student grows in confidence, curiosity, and capability.

OUR BELIEFS

Each student deserves a quality education which honors their voice and prepares them to engage, contribute, and succeed.

Students' health, safety, engagement, support, and challenge is directly linked to their academic achievement and future success.

Meaningful relationships among students, families, educators, and the community are vital to student success.

Classroom teachers have the most impact on student achievement followed by campus principals.

Public schools are essential to foster community and develop engaged citizens.

Profile of a Northside ISD Learner - Learners will be creators, leaders, collaborators, communicators, innovators, critical-thinkers, and solution-finders.

ELEMENTARY SCHOOL & FULL-DAY PREK

Comprehensive Learning from PreKinder to Fifth Grade

At Northside Independent School District (NISD), we are dedicated to meeting the needs of young children. Our 83 elementary campuses offer programs that maximize learning opportunities across a broad spectrum of subjects, including:

Reading and Writing

Fine Arts

Science And Social Studies

Physical Education

Mathematics

STEM Labs

Each elementary campus features STEM Labs, offering students hands-on learning in science, technology, and engineering. These labs provide dedicated time for exploration and creation, introducing students to coding and robotics. Our emphasis on perseverance and a growth mindset prepares students for future academic and career choices by allowing them the space to make corrections and improve upon their work.

Gifted and Talented Program

At NISD, we believe in recognizing and nurturing every student's potential. Our Elementary Gifted and Talented (GT) program empowers young minds with advanced intellectual abilities. Each campus is equipped with a full-time GT Specialist who orchestrates a variety of services, including pullout sessions that foster creative and independent thinking. Our curriculum is specially designed to align with the Texas State Plan for Gifted/Talented Education, providing an environment where gifted students can thrive both intellectually and socially.

Fine Arts

Fine Arts instruction is integral to our elementary curriculum, allowing students to create and imagine. Certified art and music specialists teach a TEKS-driven curriculum across all district elementary campuses. Students engage in multiple hands-on opportunities to develop a joy for singing, dancing, playing musical instruments, and creating 2-D and 3-D art pieces. Our elementary art and music programs are highly visible and involve all students, fostering skills that contribute to the whole child's future success.

Physical Education

Physical Education (PE) is a core component of our educational program. Our goal is to motivate students to pursue active lifestyles by developing essential motor skills for various physical activities. It is crucial that students gain knowledge, understanding, and positive attitudes towards human movement. Northside offers quality PE programs that provide meaningful, motivational, and challenging learning opportunities.

Bilingual, Dual Language, and ESL

At Northside, we embrace diversity and provide high-quality learning experiences for all students. Our goal is to achieve academic excellence and honor multiculturalism through meaningful learning experiences that inspire confidence, curiosity, and capability. We offer:

- English As A Second Language (ESL) Program
- Dual Language Immersion Program
- Bilingual Transition Program

These programs are available at designated campuses, building upon the linguistic, academic, and cognitive experiences of our students and families.

Full-Day PreK

Unlock your child's potential with Northside's high-quality full-day PreKindergarten classes. Our commitment is to provide enriching early childhood learning experiences in a nurturing and inclusive environment. Certified teachers with degrees

in early childhood education are dedicated to ensuring every early learner feels loved, respected, and encouraged to grow to their fullest potential.

Special Education Services

Northside ISD offers specially designed instruction and related services for students with identified disabilities requiring individualized instructional programs. We aim to provide students with the tools and skills necessary for decision-making, increasing independence, and ensuring academic progress.

Learning Tree After-School Program

The Northside School District's Learning Tree After-School Program offers children access to academic enrichment, social, and recreational experiences in a safe and supervised environment. Run by Northside's Community Education Department, the program aligns with the Texas Education Agency's expectations and NISD's high standards. This includes:

- A Nutritious Snack
- Homework Time
- Physical Recreation

In addition, children participate in academic enrichment activities that reinforce daytime learning through fun, hands-on experiences.

Enrichment Programs

We offer a variety of enrichment programs to cater to a wide range of interests:

Solar Cars
Robotics
Art Club
Spanish

Kindness Club
Choir
Student Leadership
A.c.o.r.n.

Lego League
Coding Club
Strings

We look forward to welcoming you and your child to Northside Independent School District, where a world of opportunities await!

MIDDLE SCHOOLS

Comprehensive Programs for Grades Six through Eight

Northside students in grades six through eight benefit from programs specifically designed to cater to the needs of adolescent children. Our 21 middle school campuses offer robust academic programs in core subjects such as:

Mathematics

Social Studies

Science

English Language Arts

Additionally, we feature three Middle School Magnet Programs. Students also enjoy courses in physical education and electives, including:

Computer Literacy

Family and Consumer Science

Foreign Language

Career and Technology Education

Skills For Adolescence

Fine Arts

Enrichment and acceleration are provided through Pre-AP classes and gifted programs. Our Advanced Learning Programs for High Achievers (ALPHA) offers a range of services for gifted and talented middle school students.

Preparing Students for College and Career Success

Northside ISD middle schools are dedicated to ensuring students are college and career-ready through the following programs:

Fine Arts

Fine Arts instruction is a key component of the Northside middle school curriculum, providing students an opportunity to create and imagine. Our Fine Arts Department is committed to providing cutting-edge environments that cater to differentiating instruction and participating in venues that enhance learning. Public performances and gallery initiatives allow our students to grow personally and connect their outstanding campus fine arts programs to broader communities at the city, state, and national levels. Our middle schools offer classes in:

Visual Arts

Band

Choir

Theater

Dance

Mariachi

Orchestra

Athletics

At Northside, athletics are about more than just sports—they're about building character. Our middle school athletic programs offer students the chance to engage in:

Football

Volleyball

Basketball

Golf

Soccer

Track

Tennis

Through athletics, students learn the value of perseverance and create character traits essential for a purposeful life.

Spanish Language Courses

Our Spanish language courses are crafted to meet the Texas Essential Knowledge and Skills for Languages Other Than English (TEKS for LOTE). They aim to:

- Enhance students' abilities to listen, speak, read, and write in Spanish
- Provide opportunities to compare their own language and culture with those of Spanish-speaking countries
- Relate topics to other academic areas
- Encourage interaction with family and community members in Spanish
- Develop "survival" skills in the language for effective social interactions
- Incorporate technology and multimedia labs

Gifted and Talented (GT) Program

Discover the exceptional GT program tailored for middle school students at Northside. Offering a curriculum designed to nurture critical thinking, creativity, and leadership skills, students benefit from:

21st Century Skills

Next Generation Learning

Depth & Complexity

Social/Emotional Learning

Guided by dedicated campus GT Specialists, our students thrive academically and creatively. Identified GT students at our middle school magnets receive specialized services through unique courses and curricula.

Career and Technical Education (CTE)

Northside's CTE programs offer a hands-on learning approach, preparing students for occupations and further study. Available in both middle and high school, these programs cover numerous career areas. Our middle school magnet schools include:

Hobby Health Science Magnet

Jones STEM Magnet

Zachry Global Communication, Information Technology & Cybersecurity Magnet

Special Education Services

Northside ISD offers specially designed instruction and related services for students with identified disabilities requiring individualized instructional programs. Our goal is to equip students with the tools and skills necessary for decision-making, increasing independence, and ensuring academic progress.

Advanced Academics

Our Office of Advanced Academics nurtures high-performing students, fostering an environment that encourages life-long learning, high self-esteem, and access to higher education. We provide:

- **Instructional opportunities for students with advanced intellectual abilities**
- **Differentiated curricula in language arts, science, social studies, and mathematics**

Enrichment Activities and Clubs

Middle school students can engage in various enrichment activities that cater to diverse interests, including:

Robotics

Solar Cars

Esports

Spirit

Chess

Pearls

Art

Drama

Maker Space

Mathletes

Minecraft

Gardening

Coding

Cooking

Student Leadership

Check the campus website or inquire with campus staff for the specific offerings at each school.

SPECIALIZED MAGNET PROGRAMS

Hobby Magnet

The three-year curriculum at Hobby Magnet School includes unique English Language Arts and Science courses, as well as specialized Career and Technical Education (CTE) courses. These courses expose students to various Health Science fields, including:

Therapeutic Services

Biotechnology Research and Development

Diagnostic Services

Support Services

Health Informatics

Magnet students will be enrolled in multiple advanced courses and have enhanced opportunities to earn high school credit while still in middle school.

Jones Magnet

Jones Magnet School offers authentic learning experiences that inspire students to think like engineers and scientists. Every student will be:

- Exposed to the world of STEM careers
- Provided with opportunities to explore their passions and curiosities
- Guided by highly prepared and motivated teachers
- Given access to world-class facilities and resources

Zachry Magnet

Zachry Magnet School is centered on the burgeoning industries of Cybersecurity, Global Communications, and Information Technology. Our program includes:

CyberPatriot competitions
Junior Model UN simulations

Our curriculum aligns with further study at NISD high schools in cybersecurity, web development, and information technology. Students will benefit from innovative learning spaces, including:

A model Intermediate Distribution
Framework room
Collaborative areas

Discover the unique opportunities that await your child at Northside's specialized magnet programs, where they can cultivate their interests and excel academically.

HIGH SCHOOLS

Total Scholarship Dollars

Class of 2024 - Our 7,024 graduates earned an impressive \$193.9 million in scholarships.

Certifications and Endorsements

Students in Northside's Career and Technical Education (CTE) programs gain hands-on experience that prepares them for various occupations and further study. Available from middle school to high school, these programs offer 29 career-focused pathways. With 28,000 Northside students enrolled, our CTE courses saw 5,949 industry-recognized certifications earned in the 2023-2024 school year.

Students in Specialized Programs

3,476 students are enrolled in our magnet programs.

HIGH SCHOOL MAGNETS

Communications Arts High School

Communications Arts High School fosters rigorous, foundational learning within a personal and supportive environment. We emphasize:

Skills in communications and technology
Fluidity between disciplines

Collaborative learning
Developing global citizens and leaders

Programs of Study:

Audio/Video Digital Communications
Advanced Broadcast Journalism

Animation Design & Multimedia

Construction Careers Academy

Construction Careers Academy offers an advanced curriculum focusing on:

Construction Technology
Architectural Design

Construction Management
Applied Engineering

Students gain real-world experience to prepare for higher education and careers in construction-related industries.

Programs of Study:

Architectural Design
Construction Design and Inspection
Plumbing and Pipe Fitting

Construction Science-Carpentry
Electrical
Engineering

Health Careers High School

Health Careers High School equips students to serve communities with compassion, integrity, and excellence. Our comprehensive academic program focuses on:

Exploring health professions

Real-world applications of medical knowledge and skills

Programs of Study:

Health Therapeutic-Dental

Health Therapeutic-Medical Assistant

Health Therapeutic-Pharmacy Technician

Health Therapeutic-Sterile Processing

Health Diagnostics-Clinical Lab

Health Diagnostics-Medical Research

Biomedical Engineering

Computer Science-Programming and

Software Development

John Jay Science & Engineering Academy

John Jay Science & Engineering Academy provides an advanced and rigorous curriculum in core subjects, emphasizing:

Science Engineering Mathematics Technology

Students gain skills with real-world relevance to prepare for higher education and chosen careers.

Programs of Study:

Engineering

Biomedical Science

Computer Science-Programming and Software Development

Robotics-Advance Manufacturing and Machinery Mechanics

Marshall Law and Medical Services Magnet School

Marshall Law and Medical Services Magnet School offers a safe, risk-taking environment, fostering:

Effective communication

Collaboration

Critical thinking

Students gain practical knowledge in Public Services:

Criminal Justice
EMT
Pre-Nursing

Court Systems
Legal Governance
Physical Therapy

Behavioral Health
Public Administration
Speech Therapy

Programs of Study:

EMT-Emergency Services • Nursing Science • Legal Studies • Law Enforcement
Behavioral Health-Emergency Services • Government & Public Administration
Physical Therapy-Medical Therapy

NSITE

The Northside School of Innovation, Technology & Entrepreneurship (NSITE) is San Antonio's premier business and technology magnet school, offering curricula in:

Cybersecurity • Programming and Software Development • Entrepreneurship

NSITE fosters innovation and problem-solving through high-quality instruction and project-based learning.

Agriculture Science & Technology Academy

This academy provides a rigorous and hands-on education, focusing on responsibility, integrity and leadership development.

Students gain real-world experiences in fields like:

Agribusiness • Animal & Plant Sciences • Agricultural Engineering
Veterinary Medicine • Environmental & Natural Resources

Programs of Study: Animal Science, Plant Science, Applied Agricultural Engineering, Agribusiness, Environment and Natural Resources

CAST Teach High School

The Northside ISD CAST Teach High School offers a unique opportunity to develop and empower students, preparing them to become impactful future educators. This innovative magnet program is a collaborative effort between:

Northside ISD • CAST Schools • The University of Texas at San Antonio

Opening in August 2022, CAST Teach High School ensures that students:

- Have a strong foundation in educational practices
- Gain hands-on experiences in real school environments
- Work side-by-side with mentor educators, coaches, counselors, and librarians

CAST Teach High School is dedicated to shaping the next generation of education professionals who will have a lasting impact on communities and future generations.

Advanced Placement, Dual Credit, and OnRamps

At Northside Independent School District, our Office of Advanced Academics is the cornerstone of academic excellence. We offer unique programs designed to nurture high-performing students, fostering:

Lifelong Learning • High Self-Esteem • Community Involvement

Comprehensive Offerings

Our comprehensive suite of programs includes:

**Gifted & Talented
Advanced Courses
Dual Credit**

**Advanced Placement (AP)
OnRamps
AVID**

These offerings expand access to higher education and empower students to become independent thinkers.

Advanced and AP Courses

Our Advanced and AP courses elevate traditional academics, preparing students for future success by potentially earning them college credits. During the 2022-2023 school year, Northside students:

- Earned an impressive 61,807 hours of college credit
- Saved over \$17.8 million for NISD families

Join Us on the Path to Excellence

Join us on this journey of academic excellence as we empower students to excel. At Northside ISD, we are dedicated to providing opportunities that encourage academic achievement and prepare students for their future endeavors.

District Programs & Services

Northside ISD offers a wide variety of programs that cater to the diverse interests and needs of our students. From after-school education to athletics, dual language programs to dual credit and advanced placement opportunities, career and technical education, magnet programs, and special education services, we ensure that every student has access to the resources they need to succeed.

In addition to the resources outlined below, visit our campus websites for more information specific to each campus.

Special Education

Northside ISD provides specially-designed instruction and related services to students with an identified disability requiring an individualized instructional program. Our goal is to provide tools and skills necessary to strengthen each student's role in decision-making while increasing student independence and ensuring academic progress. Our services include:

Applied Learning Environment
Deaf and Hard of Hearing Services
Music Therapy
Special Olympics
Visually Impaired Services

Autism Program
Early Childhood Special Education
Occupational & Physical Therapy
Speech Language Programs
Fine Arts

At Northside Independent School District, our Fine Arts Department is a symphony of creativity, inspiration, and excellence. With a diverse array of offerings spanning:

Visual Arts • Band • Choir • Dance • Mariachi • Orchestra • Theater

We engage over 80,000 students from grades K through 12 in the captivating world of fine arts. Our commitment to nurturing artistic talent is reflected through exceptional curriculums, enrichment courses,

and Advanced Placement opportunities in Art History and Music Theory.

Northside is one of the rare districts to provide certified art and music instructors in every elementary school, offering a golden opportunity for creativity to flourish from a young age. Campus performances and galleries not only showcase the dedication of our teachers but also the remarkable skills and commitment of our students.

We strive to provide cutting-edge environments that empower our students to excel, with world-renowned artists and experts enriching their learning experiences. Northside's performing ensembles and student artwork consistently earn recognition at the state and national levels, proving our dedication to excellence. Beyond honing artistic skills, we aim to instill in our students qualities that transcend the canvas: the ability to be quality citizens, exceptional leaders, adept problem-solvers, professional artists, and lifelong lovers of the arts.

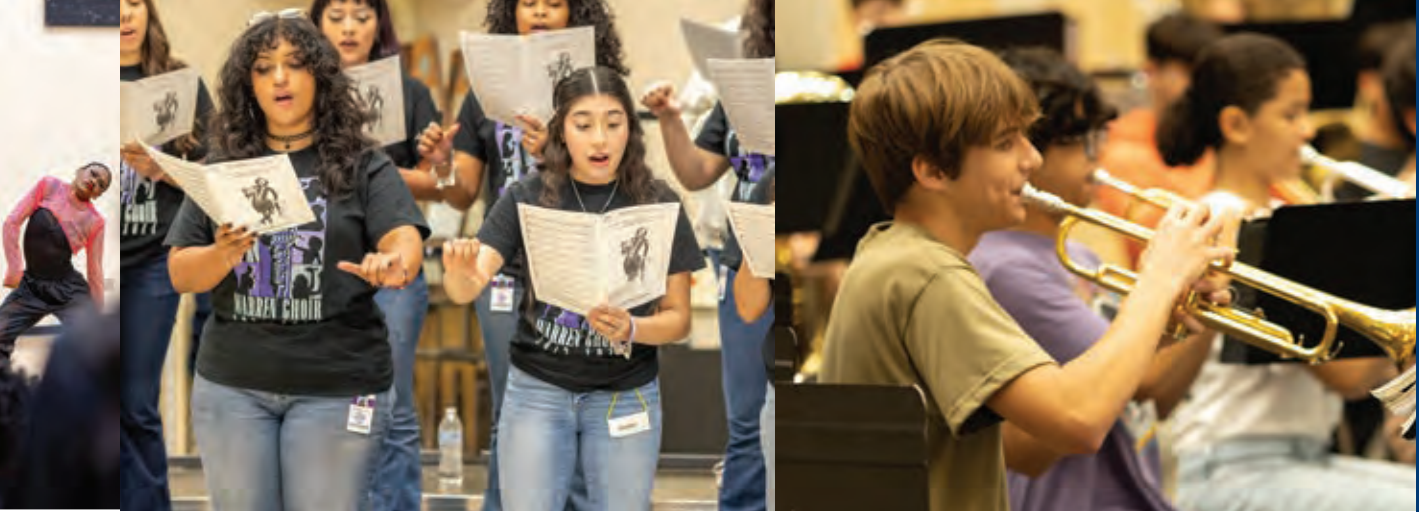

At Northside, we believe in fostering imagination and creativity, making a meaningful impact not just within our community but across our city, state, and nation.

Athletics

In the heart of the Northside Independent School District, our Athletics Department is not just about winning on the field; it's about instilling values that last a lifetime. With more than 16,000 students in grades 7-12 participating in our athletic programs, we're not just building champions; we're shaping character. Our student-athletes learn the value of adversity through perseverance, and this commitment to excellence extends beyond the game.

We're proud to have:

405 academic all-state honorees
3,177 academic all-district scholars

Through their passion for athletics, our students are not only achieving on the field but also gaining the skills and character traits that will lead them to purposeful lives. At Northside, we're not just molding athletes; we're shaping future leaders who understand that success is about more than just winning—it's about the journey and the character we build along the way.

Enrichment / Clubs

Our enrichment activities and clubs provide students with opportunities to explore various interests. Programs include:

Solar Cars

eSports

Fine Arts

Dual Language

Specialized Magnet

Career & Technical Education Classes

Robotics

Spanish

Athletics

JROTC

Elementary STEM Labs

Lego League

Gifted and Talented Program

Special Education Services

Dual Credit/AP/OnRamps

Free SAT Programs

**Each campus offers various opportunities for students to participate and engage in enrichment activities. Please check the campus website or inquire with campus staff to learn more.*

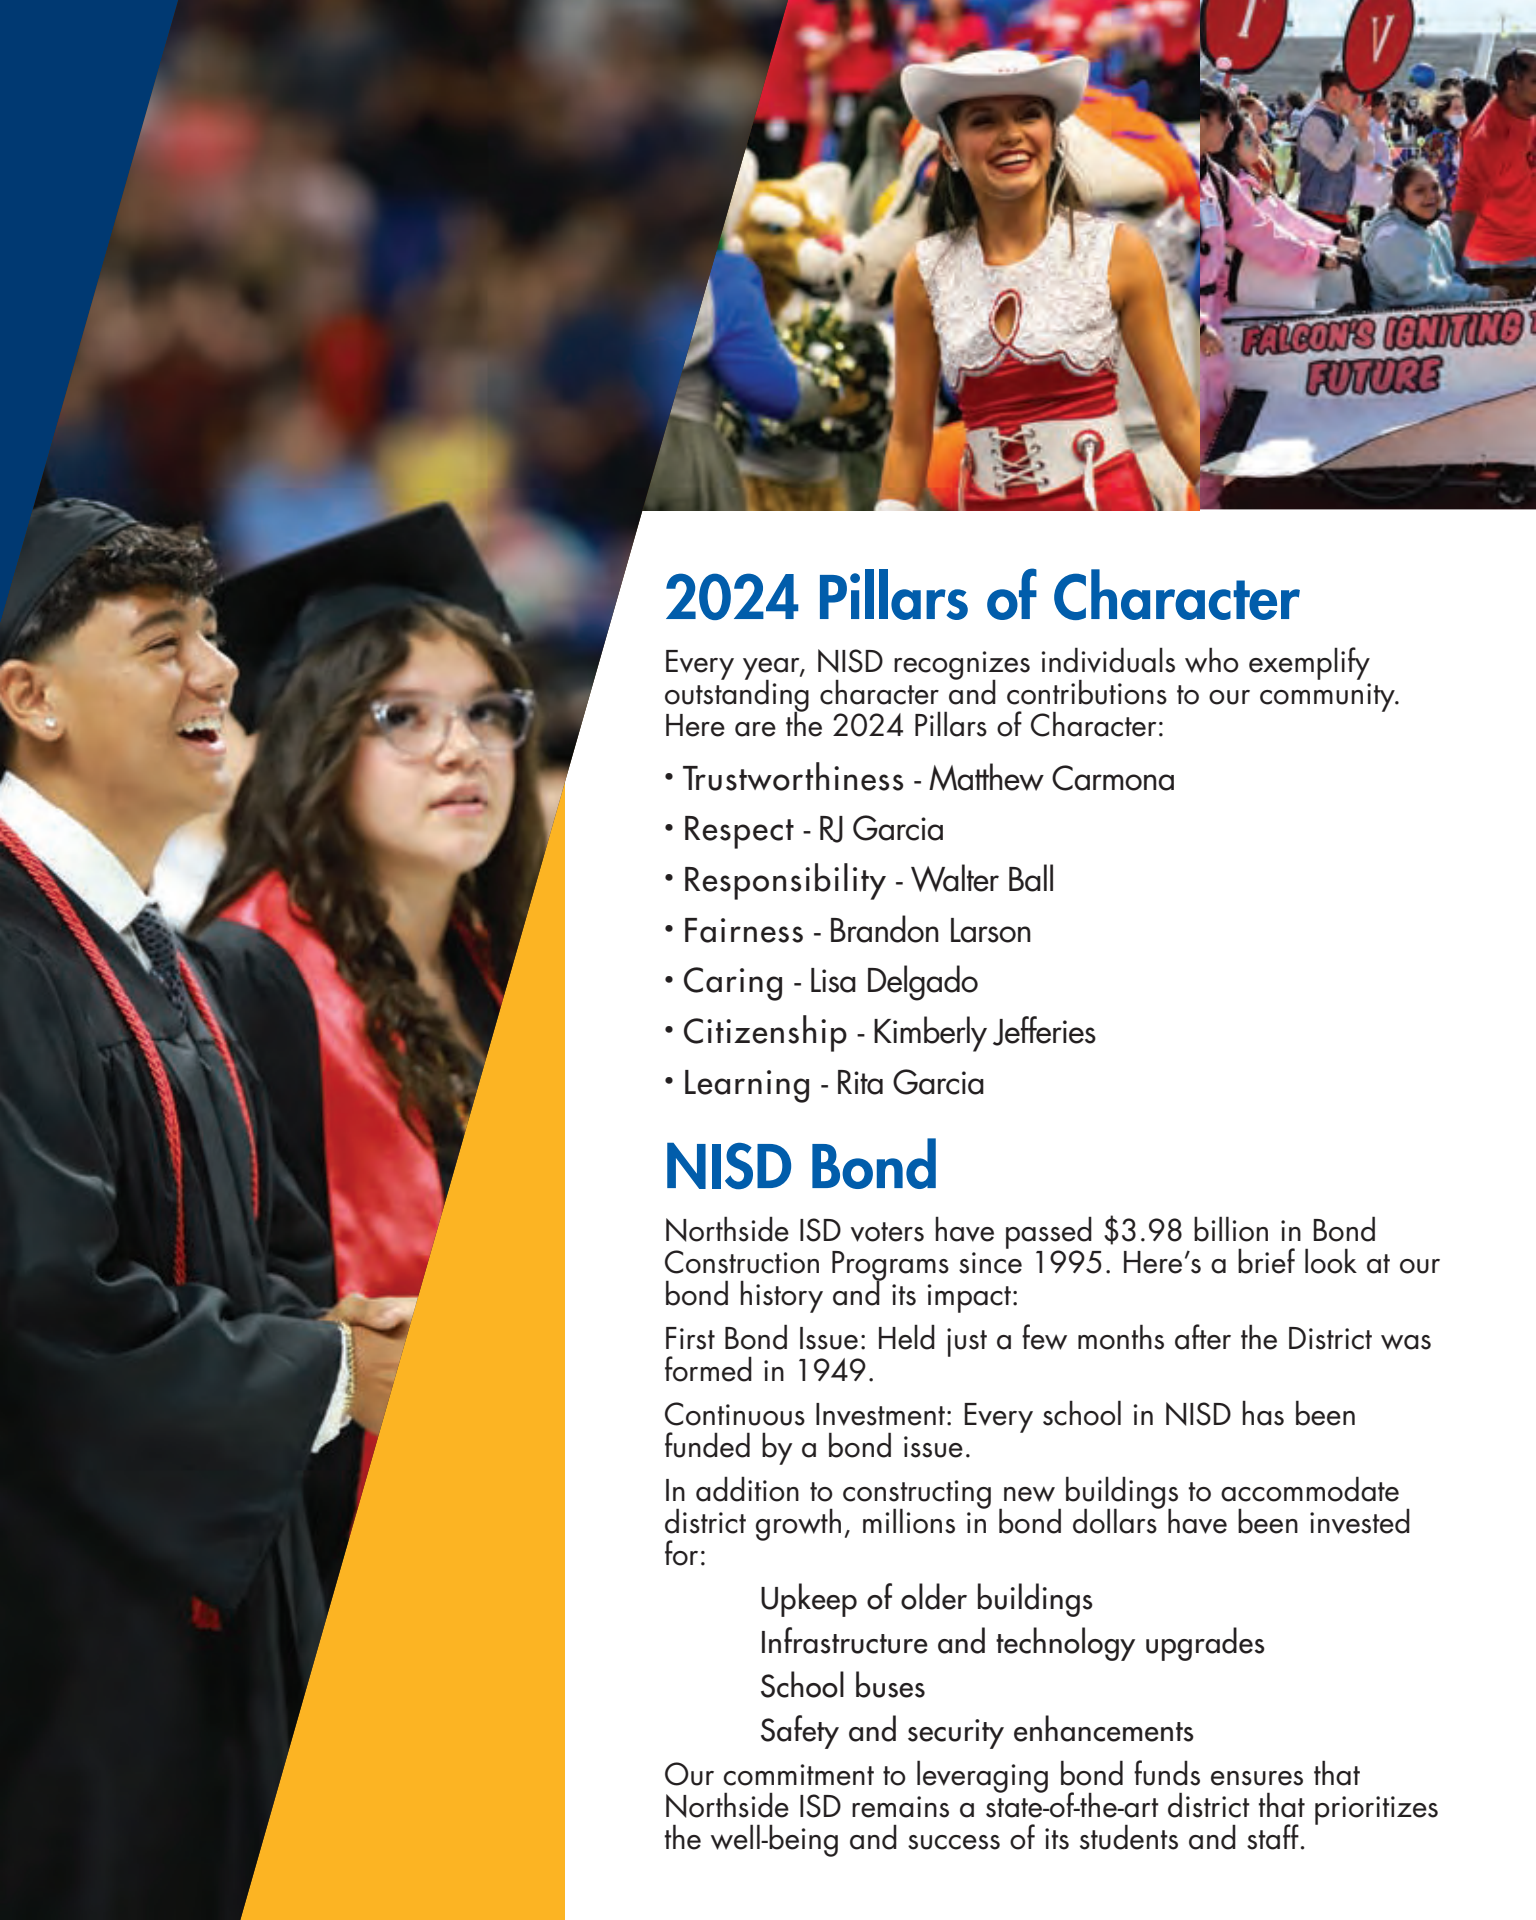

NISD CARES with NEF Pillars

Northside Education Foundation (NEF)

Since 1995, the Northside Education Foundation has awarded more than \$10 million in grants to educators and scholarship programs. This incredible support has been pivotal in fostering educational excellence and providing numerous opportunities for our students and educators.

Volunteer and Mentorship

Over 20,000 community members volunteer and mentor in Northside schools each year. Their dedication and support play a crucial role in enriching the educational experiences of our students and building a strong, engaged community.

2024 Pillars of Character

Every year, NISD recognizes individuals who exemplify outstanding character and contributions to our community. Here are the 2024 Pillars of Character:

- Trustworthiness - Matthew Carmona
- Respect - RJ Garcia
- Responsibility - Walter Ball
- Fairness - Brandon Larson
- Caring - Lisa Delgado
- Citizenship - Kimberly Jefferies
- Learning - Rita Garcia

NISD Bond

Northside ISD voters have passed \$3.98 billion in Bond Construction Programs since 1995. Here's a brief look at our bond history and its impact:

First Bond Issue: Held just a few months after the District was formed in 1949.

Continuous Investment: Every school in NISD has been funded by a bond issue.

In addition to constructing new buildings to accommodate district growth, millions in bond dollars have been invested for:

- Upkeep of older buildings
- Infrastructure and technology upgrades
- School buses
- Safety and security enhancements

Our commitment to leveraging bond funds ensures that Northside ISD remains a state-of-the-art district that prioritizes the well-being and success of its students and staff.
